AN ENCOURAGEMENT FOR YOU

Scripture Memory – Being Christ Disciple

Separate From the World – Romans 12:2

Reflection

Thank God that we can experience change in our lives through the renewing of our minds to the truth of God word.

Prayer

-To stay connected with God by committing to daily devotions, spending time in prayer, reading and meditating on his word
-To pray and think about ways to apply what we've learned in our time with him in our daily lives
-To find ways to honour him in our daily routines and in our interactions with others

welcome to our church! whether this visit is your first or otherwise, we are glad you are here. we believe that the christian faith is about responding to **God's** invitation to be in a relationship with Him. this relationship changes everything.

we believe that church is all about relationship and so we would love to connect with you beyond our service time. here are a few ways you can do that.

fill out a welcome card
did you have thought or questions you wanted to pass on? let us know using the visitor card and **we'll** be in touch!

commit to a small group
a small group is not just another thing to do each week. nor is it just a social gathering. rather, it is a community of people who are committed to Jesus and to being vulnerable with each other. It is a band of people desiring to grow in their faith, learning to love the Word and wanting to share their faith with others. if this sounds like something you are interested in, talk to the small group leaders. We have two small groups: downtown or uptown.

join us for food and conversation
food was an important part of community building in the Bible. people gathered together, celebrated and feasted. community is important to us. therefore, we love food! after service, **we'd** love for you to sit in on a small group as we eat, drink and continue the conversation that **today's** service has started.
